

Privacy Policy

We are committed to protecting your privacy and helping you have a safe online experience. This Privacy Policy applies to the CincySponge.com (“CincySponge”) website and governs data collection and usage. By using our website, you consent to the data practices described in this Privacy Policy, and the terms and conditions of use, as posted on this website.

What Information Do We Collect?

CincySponge does not collect any unique information about you (such as your name, email address, etc.) except when you specifically and knowingly provide such information.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through our public message boards, this information may be collected and used by others. We do not read or monitor any of your private online communications.

Information Collected Automatically

We automatically collect information about your visit to our site. This information is used to make your visit to our site more efficient, and to help us follow browsing preferences on our site so that we can make regular improvements. Our external web host may also automatically log your IP address, a unique identifier for your computer or other access device.

Links to Other Sites

This website contains links to other sites that are not owned or controlled by us. Please be aware that we are not responsible for the privacy practices of such other sites. The stories/sites displayed and/or linked to by the CincySponge website are developed by people over whom CincySponge exercises no control. Other links are also on sites not controlled by CincySponge. These other sites may send their own cookies to users, collect data, or solicit personal information. CincySponge may choose to exhibit its results in the form of a "URL redirecter." When CincySponge uses a URL redirecter, if you click on a URL on a CincySponge page, information about the click is sent to CincySponge, and CincySponge in turn sends you to the site you clicked on. CincySponge uses this URL information to understand and improve the quality of CincySponge's technology.

Disclosure of User Information

We will disclose information about our website users if required to do so by law or in the good faith belief that such action is necessary to act under exigent circumstances to protect the personal safety of users of CincySponge, or the public.

Be careful of disclosing any of your personally identifiable information when leaving our site. We encourage you to be aware when you leave our site and to read the privacy statements of each and every website that collects personally identifiable information.

This Privacy Policy applies only to information collected by this website.

Use of Cookies

We use “cookies” to help personalize your online experience. A cookie is a small text file that is stored on a user’s computer for record-keeping purposes. We may link the information we store in cookies to your personal information in order to provide a faster and more pleasant online experience.

We use both session ID cookies and persistent cookies. We use session cookies to make it easier for you to navigate our site. A session ID cookie expires when you close your browser. A persistent cookie remains on your hard drive for an extended period of time. You can remove persistent cookies by following directions provided in your Internet browser’s “help” file.

We set a session cookie to store your passwords, so you don’t have to enter it more than once per session. Persistent cookies enable us to track and target the interests of our users to enhance the experience on our site. You have the ability to accept or reject cookies. Most web browsers automatically accept them, but you can usually modify your browser settings to reject cookies, if you prefer. If you reject cookies, you may still use our site, but your ability to use some areas of our website will be limited.

This Privacy Policy covers the use of cookies by this website only and does not cover the use of cookies by any advertisers or third party sites that may be linked to from this site.

Security of your Personal Information

The security of your personal information is important to us.

We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it. No method of transmission over the Internet, or method of electronic storage, is 100% secure, however. Therefore, while we strive to use reasonably acceptable means to protect your personal information, we cannot guarantee its absolute security.

If you have any questions about security on our website, you can send email to us at the address listed below.

Your Consent and Changes to the Privacy Policy

By using the CincySponge web site, you consent to the collection and use of your information as we have outlined in this policy. CincySponge may decide to change this Privacy Policy from time to time. When we do, we will post those changes on this page so that you are always aware of the information we collect, how we use it, and under what circumstances we disclose it.
